EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Christopher Fildes on April 29, 2005.

The application has been amended as follows:

8/16/05
Claim 13, line 5, delete " on its surface" and substitute: - - on a surface of said
holder
one of the blade and doctor blade - -.

1. The following is an examiner's statement of reasons for allowance: The presently claimed invention defines over that claimed in Sovijarvi (6,830,659) on the basis of the sensor being installed in or on the surface of the doctor blade holder or the doctor blade. Thus, there is no issue of obvious type double patenting.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter Chin whose telephone number is (571) 272-1186. The examiner can normally be reached on Monday through Friday.
